

Analytix offers a comprehensive portfolio of public and in-house training programmes to corporates, public sector organisations and individuals. Up to date we have trained and certified over 5000 individuals, locally and abroad.

Our services are underpinned by internationally accepted Management practices based on a range of de facto industry frameworks and standards including COSO, Cobit®, ISO 27001, BS 25999, Togaf™, ISO 38500, ITIL® and the Balanced Scorecard.
